*Vertical Limit Teen Adventure Trips 2009*

Participants will be responsible assisting SUCAP staff to create a positive environment for themselves and other members of the group. Participants and parents understand that a positive attitude will affect the outcome of the trip for each individual.

Participants and parents agree that, once the trip begins, designated SUCAP staff will make some decisions for the group as a whole and for individual members of the group. Any participant not willing to follow directions from SUCAP staff may be dismissed from the trip, as outlined above.

Participants are responsible for making choices for themselves. SUCAP staff will not be responsible for decisions made by a participant that result in harm to that participant, another member of the group, or any other person. SUCAP staff will have the authority to deny any participant the right to attend scheduled activities as a result of poor choices or negative behavior.

By signing below, participants and their guardians/parents acknowledge the responsibilities of participants on this trip. Guardian/Parents are expected to support the decisions made by SUCAP staff in respect to their children.
